

Endurance International Group Named A 2017 Azcentral.Com Top Company To Work For In Arizona

TEMPE, Ariz., July 20, 2017 /[PRNewswire](#)/ -- Endurance International Group, a global leading provider of web solutions designed to help small and medium-sized businesses succeed online, announced that its Tempe, Arizona Operations Center has been named to the list of "[Top Companies to Work for in Arizona](#)" by The Arizona Republic and azcentral.com. The award recognizes companies with "the most innovative workplace cultures" and "identifies companies that have achieved top rankings in employer practices, employee engagement, and satisfaction."

"At Endurance-Tempe we strive to create a culture where our team displays the same entrepreneurial spirit as our customers; where they collaborate, innovate and are empowered to learn," said General Manager Tempe Operations Andrew Wright.

The company has a "People First" culture. In keeping with its work/life balance philosophy, Endurance provides a competitive benefits package and an amazing work environment where employees can relax with teammates over a game of pool or ping-pong or unwind in the lounge. Endurance was also recently recognized for its health and wellness initiatives by the Healthy Arizona Worksites Program with a Gold Level of Excellence Award for positively affecting the health and well-being of its employees.

"Our leadership team is committed to creating an environment where our employees feel valued, respected, and safe," remarked Director of Human Resources Maggie Kinsley. "The benefits of our approach are plain to see with 93 percent of employees proud to work for our organization and 90 percent feel there is opportunity for promotion."

"There is a real sense of camaraderie here," Wright added. "We empower our teammates to solve the customer's problem and this has transformed not only the face of our business, but also our customers' businesses."
