

Endurance International Group's Constant Contact Offers A New Way To List And Sell Products Online Across Marketplaces With Integration Of Ecomdash

BURLINGTON, Mass., April 7, 2020 -- The [Endurance International Group](#) company today announced it has added [ecomdash](#), the marketplace ecommerce listing and inventory management solution acquired by Endurance in September 2019, to [Constant Contact's](#) ecommerce offering. In these uncertain times, selling products and services online is more important than ever. Ecomdash by Constant Contact is a full-cycle inventory management platform that streamlines operations for online retailers across multiple marketplaces.

"We know that online marketing and ecommerce are more important than ever to our customers," said Kim Simone, Chief Operating Officer, Constant Contact. "In addition to our website builder and online store capabilities, our customers will now get the added benefit of ecomdash by Constant Contact's rich set of inventory management tools, including all the top marketplaces and dropship automation at a time when they need it most. No one can predict the full impact of this pandemic, but it is Constant Contact's goal to continue creating solutions that meet customers' ecommerce operational needs, so they can sell products in more places today and in the future."

Ecomdash by Constant Contact is an order, listing, and inventory management platform that simplifies the process of selling online. Merchants can manage their multichannel ecommerce inventory, product listings, sales orders and shipping processes across marketplaces such as Amazon, eBay and Etsy, as well as ecommerce website platforms like Shopify and WooCommerce. With over 50 ecommerce integrations, ecomdash by Constant Contact gives small businesses the confidence to scale their ecommerce capabilities.

To make things a little easier right now, ecomdash by Constant Contact is offering 50% off for the first four months. For more information on ecomdash by Constant Contact, visit:
